

Jasson Laurent

Web Design & Developer

EXPERIENCE

2023 ASURANSI ASTRA BUANA

2024 Application Developer (Internship)

I work as an Application Developer that helps in design, development and maintains enterprise applications and is responsible for providing application quality which is suitable for users in the company.

2023 TAZE LAB INTERNASIONAL

2024 Web Developer, Graphic Designer

As a Web Developer and Graphic Designer, I develop user-friendly websites with visually appealing designs. I combine technical skills and creativity to deliver effective digital solutions that enhance user experience.

2022 ABOUTDRIPS.ID

2024 Social Media Specialist, Graphic Designer

As a Social Media Specialist and Graphic Designer, I learned how to create good content and design engaging visual content to get high engagement.

2020 ABOUTVAPE.ID

2024 Social Media Specialist, Graphic Designer

As a Social Media Specialist and Graphic Designer, I learned how to create good content and design engaging visual content to get high engagement.

EDUCATION

2020 COMPUTER SCIENCE

2024 Binus University Alam Sutera

I expect to graduate this year, and during my studies, I have learned a lot about programming languages such as HTML, Java, CSS, React, Laravel, PHP, etc. These skills have equipped me to become a proficient web designer and developer.

2018 SENIOR HIGH SCHOOL

2020 SMA Kemurnian II

- Head of student council

I lead the organization wisely by bridging students and schools to become a better and perfect collaboration between students and schools.

- Head of Kemurnian School Cup

I lead all committees and meetings and make the right decisions to ensure all events can be carried out properly without any fatal mistakes.

ABOUT ME

Hi. My name is Jasson Laurent. As a developer and designer, I constantly challenge myself to engage in logical and creative thinking that can enable me to excel in my field. To produce high-quality work, I value thoroughness, have excellent problem-solving skills, and cultivate a strong sense of curiosity.
